

Real Security Sets You Free.™

Schlage® LiNK.

Access to a whole new level of freedom.

Introducing **Schlage LiNK**. Now, no matter where you go, the front door is within reach. That's because **Schlage LiNK** is more than a lockset. It's a brilliant new way to enhance your home's security, and your family's peace of mind.

On the surface, **Schlage LiNK** looks like a keypad entry lock — and it is. But it also features technology that allows you to use your internet-enabled cell phone or computer to remotely unlock your doors, monitor entry, and change user pass codes. You can even pair **Schlage LiNK** with other household items like lights and appliances for additional security and convenience.

That's freedom. That's intelligence.
That's **Schlage LiNK**.

Easy set-up. Simple operation. That's the brilliance of **Schlage**® **LiNK**.

- You can easily program **Schlage LiNK** to send automatic text or email updates so you'll always know who's home.
- Installation and set up are simple. You'll be up and running quickly.
- Web-based access means greater peace of mind no matter where you travel.
- **Schlage LiNK** is always on the job, enabling and monitoring access to your home around the clock.

THE TOTAL SOLUTION SYSTEM

SCHLAGE WIRELESS BRIDGE

Links all devices in your solution to the internet.

REMOTE ACCESS INTERFACE

Schlage LiNK requires a monthly subscription fee to enable the remote access to your computer or cell phone over the internet. This allows you to receive email updates, text messages, remote management and all the other unique benefits the system provides. Only remote features are dependent on subscription.
